Specific terms and condition of Tender for appointing area-wise agents for displaying of advertisement boards on DTC Bus Queue Shelters and Time Keeping Booths (Under Two bid system)

1. Extent of Tender.

i) The Tender is for appointment of area wise agents (hereinafter called Contractor) for displaying of advertisements boards on the conventional Bus Queue Shelters and Time Keeping Booths of DTC falling in MCD area on ‘**As Is Where Is**’ basis for the DTC areas/zones presently available for allotment to the agent, namely Civil Line-I, Rohini Zone-I, Rohini Zone-II, West Zone-I, West Zone-II, Najafgarh (R)-I, Najafgarh (R)-II, Karol Bagh, Narela(R)-I, Shahdara (S)-I, Shahdara (N), Shahdara(S)-II,Civil Line-II and City Zone -II zones for a period of two years. Conventional shelters of DTC available for allotment through this tender are those which have been constructed by DTC on its own, not by a private concessionaire under BOT project.

(ii) A list indicating approximate locations of the BQS/TKBs for each of the above mentioned areas/zones for which the advertisement rights are to be awarded is enclosed herewith as **Annexure-I** (colly). The tenderer should note that the number of BQS/TKB as well as locations indicated in Annexure I are approximate, based on available records. The DTC bears no responsibility toward accuracy of this information. The tenderers are advised to do their due diligence and fully satisfy themselves regarding the location and condition of the BQS/TKB before submitting their bids.

(iii) The number of BQS/TKB is subject to change.

(iv) The Corporation with mutual consent may extend the contract as envisaged in Clause (1) of these terms and conditions beyond the period of two years on quarterly basis up to maximum period of one year on the same terms and conditions subject to adequate security deposit by the tenderer and 10% increase in the monthly license fee on annual basis.

(v) During this two year period, the number of BQS in these zones, especially Najafgarh and Narela is likely to increase significantly on account of relocation of the conventional BQS from the ongoing BOT project areas to the Najafgarh R-I and Narela zones. All the conventional bus queue shelters relocated to these zones will be allotted to the Contractor for display of advertisement after taking the written consent of the Contractor for the said zone. Thereafter, the Contractor shall pay the monthly license fee to DTC in respect of the additional shelters at the rate applicable for that zone also, from the date of award of these shelters to the contractor.

(vi) The allotment of the BQs and TKBs to the agent shall be on ‘**As Is Where Is**’ basis, and no objections on any ground such as suitability of the site for advertisement purpose, condition of BQS/TKB, etc. shall be entertained.

(vii) The advertisers will fix/display their advertisements on or over the roof the BQS leaving the facia of the BQS so that the identification and pin code etc. could be written on the facia of BQS.

2. SUBMISION OF TENDER:

Separate and sealed quotation for each zone preferably type written, should be submitted. The tenderers will quote their rates for illuminated boards. It will however be optional for the tenderers to display non-illuminated boards subject to observing other specifications. The license fee will however remain same in both the cases. One-

third remission in license fee will be admissible for use of non-conventional source of energy, in terms of the Outdoor Advertisement Policy of the MCD.

The sale/receipt and opening of tender shall be as per the programme printed in the tender form/NIT. The tender will be opened in the presence of the tenderers or their accredited representatives who may wish to be present at the time of opening of the tender. Tenders received late and without earnest money shall not be entertained.
